

The Arctic Energy Alliance administers energy efficiency programs funded through the Territorial government and the federal Low-Carbon Economy Fund. The territory performs well in several areas.

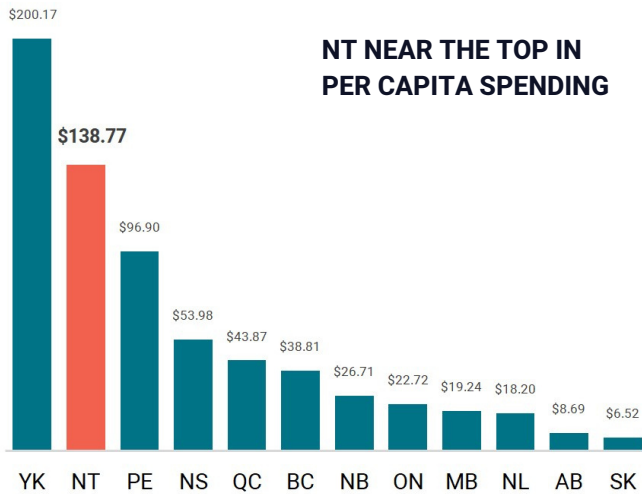

Figure 1. Energy efficiency program spending per capita

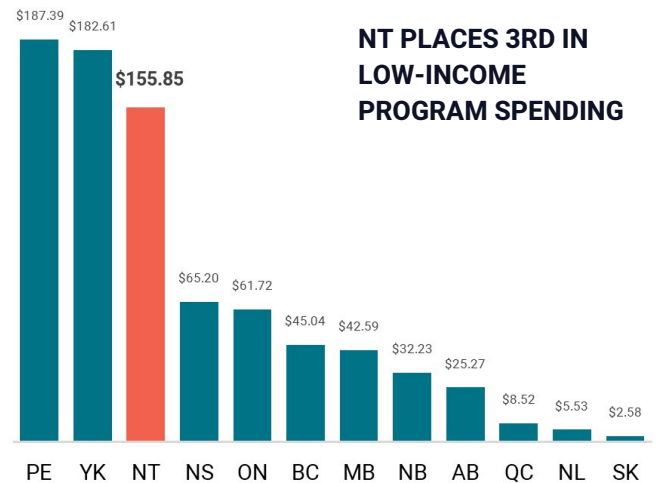

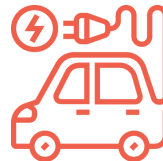

Figure 2. Low-income energy efficiency program spending per capita

**PLUS, NORTHWEST TERRITORIES IS ALSO LEADING SEVERAL PROVINCES ON BUILDING CODES:**

- Yellowknife adopted latest code for large buildings (National Energy Code for Building 2017)
- Plus, standards in Yellowknife are 25% higher than 2015 National Building Code for low-rise buildings

**THE TERRITORY ALSO OFFERS INCENTIVES FOR ELECTRIC VEHICLES:**

- The Electric Vehicle Incentive Program launched in June 2020 in Yellowknife and Hay River
